WINTERING BEES IN SUNNY FLORIDA!

Why Winter Bees Down South?

Buck's Busy Bee's started wintering hobby beekeeper's bees in, Sunny Florida, two years ago! This guarantees our hobby beekeepers bees in the spring. (YES! You read this right, WE GUARANTEE you bees in the spring) This is a win, win! Then you are not faced with the 50/50 chance of survival in the colder climates! Buck's Busy Bee's service involves treatments, feeding, and re-queens, all while they're on vacation! So, as soon as you take possession of your hive, you can start enjoying your bees! Now that's what I call great news!

A list of details on what it takes to make the cut, is listed on our website! There are some requirements you are going to have to do, in order to send your bees with, Buck's Busy Bee's, LLC.
